Hi all,

We thought we should touch base while the ERC meeting is still pretty fresh, and come up with a path forward for addressing ERC comments.

Todd – I know you're out of the office tomorrow, but just wanted to let you know we were meeting. We'll keep you posted on stat issues that you might be able to help with.

Kat – I'm looping you in in case we come up with some items you might be able to help with.

Feel free to extend this invitation if you think we should be pulling anyone else in at this point. Please note that we'll set up a separate meeting with Chris B and Paul S to discuss PBPK-related issues.
